

## ADDING THE TEAMS WISHLIST APP

Follow these instructions.  
Let your Program Admin  
know if you have any  
questions.

### Getting Started with your Wishlist Teams App

1. Navigate to the Apps section in Teams.
2. Select the Wishlist App in the 'Built for' section.
3. Add the Wishlist App to your Teams application.
4. Pin the application to the sidebar by right-clicking on the Wishlist icon.
5. Navigate to the News Feed tab and click the Refresh icon at the top right authenticate and load the Wishlist News Feed and platform in Teams.
